3 Nation Charity Ride 2009

To be held in Penang this year, the 3 Nation Charity Ride will kick-off on the 26th September. The plan is to form a convoy at Juru's Auto-City, an area right beside the NSE, and ride to Equatorial, the event hotel. The convoy is scheduled to depart Auto-City at 2.30pm, on the 26th.

Our Committee sent club president & the secretary to Penang to attend the press conference & Founders' Meeting on August 15th. Press conference went well, with representatives from the four Founder Members' present. Presiding over the meeting was PMSC's Mr. Tan Guan Hin. Questions were fielded by the reporters and TV presenters and were duly answered. The Penang tourism authorities were fully in support of this event.

After the press conference, club president and the secretary started sorting out other event details like tees distribution, assembly area, parking for the bikes, etc, with PMSC and also conferring with the managers of the hotel concerning room bookings for the S'pore contingent. With all that taken care off, a recce of the assembly area at Juru and the convoy route was planned for the next day.

Then came the serious business of scouting for entertainment, food venues, watering holes and other interesting places, so that participants of the Event have a place to hang out on Saturday (26th) night. It's a lousy job but somebody has to do it. Haha.

At this point in time, there are one hundred and fifty sign-ups ex S'pore. Penang itself should be able to pull in at least five hundred, probably more, from the north, together with our Thai brothers. There should be a good number from KL as well.

Team 27 would probably ride north to Thailand after the event. Many m/cycle groups already have plans to travel north and then come south to join the event. So there is some good riding to do before and after 3 Nation Charity Ride 2009.

Our members have expressed interest in visiting Hua Hin, Thailand and we will be organizing a Hua Hin Ride, which

3NCR organizing Committee at Penang

would be headed by Mr. Long & Poh. Schedule to depart Penang after 3 Nation Charity Ride, the stopovers would be:

- 28/9 Pen/Hdy
- 29/9 Hdy/Surat
- 30/9 Surat/Hua Hin
- 1/10 Hua Hin
- 2/10 Hua Hin/Nakhon Si
- 3/10 Nakhon Si/Hdy
- 4/10 Hdy/Sin

Hope to see you guys on your saddles. Economy has been bleak but that is not the reason for neglecting your rides. We all hope things will look up soon. So, in the meantime, let's ride & leave our worries behind.
